### Housing Developments:

- Friarsfield – Work on Phase 2 has begun. CALA have submitted a proposal to transfer their affordable housing obligations to a site on King St. They propose to purchase a site from Drumrossie and arrange for the construction of 26 social housing units (2 bed flats) rather than build 20 affordable units at Friarsfield. Funding from the Scottish Government will also be applied. The Community Council has objected to this proposal. CALA have provided further justification for their application.  
CALA have submitted an application for 26 homes on the eastern edge of the site. These are outside the initial three phases approved and an objection has been submitted.

Stewart Milne are about to submit a planning application for Ph. 3 of the Friarsfield development.

- Oldfold – Planning Permission for Phase 1 for 60 houses adjacent to NDR has been approved and construction is well under way. An application for Phase 2 for 166 homes has been submitted which is still under review.
- Countesswells – The planning application for first tranche of homes in blocks N10 has been approved, as has Block C1/C2. Construction underway and the first residents have moved in, with around 130 homes now occupied. Planning applications for the two roads linking the site to the A944 have been submitted as has an application for Block C4. Kirkwood Homes will build the southern part of block C2.  
There will be 2 weekend road closures of the C128 Cults to Kingswells Rd, on 11/12 Nov and 18/19 Nov, just to the north of the new Countesswells development.
- Milltimber South – this is the new site added to the Local Development Plan by the Scottish reporter. Bancon have submitted a Planning Application Notice and they held a public consultation on their outline plans for 60 homes on Friday 8 Sept. A second public consultation was held on 13 Oct where more details of the proposed development were made available. Bancon hope to submit a Masterplan and detailed planning application in November 2017.
- AFC Kingsford Stadium – not strictly our area but may be knock on impacts. New supporting documents were submitted by the developer for review by interested parties and we commented on the transport proposals. The review of the application by the full council has been postponed while further talks on the proposal take place.
- Land between North Deeside Rd. and Inchgarth Rd. - a recent request for comment on the requirement for an Environmental Impact Statement suggests plans are about to be submitted.

### Planning Sub-committee:

- The sub-committee is discussing the preparation of the next Local Development Plan; work on this awaits the publication of the main issues for the Strategic Development Plan for Aberdeen and Aberdeenshire. Proposed changes of Community Council Boundaries have been issued for review.

### Actions for coming month:

- Weekly review of Planning Applications

### AWPR:

Work, and traffic lights, continue.

### Earlspark Crescent Temporary Access:

The owner of land behind the houses on Earlspark Crescent wishes to remove some trees and requires access to the land over Aberdeen City Council land. There has been no update on the status of discussions regarding access.

### Aberdeen Local development Plan:

The Local Development Plan (LDP) was adopted by Aberdeen City Council in January 2017.. Work on the preparation of the next LDP will probably start late 2017 or early in 2018 once the Main Issues report for the Aberdeen and Aberdeenshire Strategic Plan has been published.

**City Centre Masterplan:**

The last review meeting was on 26 Sept 2017. Some £36 million is now committed to Phase 1 projects. Work to create new public realm on Broad Street is firmly under way; complications mean the completion date has slipped to early 2018 but it will be partially open for use by the Christmas market. Work on Union Terrace Gardens now expected to start in 2018.

**Oct 17 Applications for Lower Deeside Ward:**

- 7 new
- 7 reviewed – excludes 0 Peterculter,
- 0 commented on at end Aug - Friarsfield re affordable housing obligation

Note: a list of recent planning applications can be found on the CBM Community website ([www.cbmcommunity.org.uk](http://www.cbmcommunity.org.uk))
